

As a global leader in student-managed learning opportunities, we are committed to developing leaders at Lakeland College. It's something we excel at because of our exceptional team. Their passion and commitment to academic excellence, innovation and achievement is what sets Lakeland apart, as an educator and an employer. Join our team and be part of helping our students take the lead not only into the future, but today.

## Instructor, Animal Health Technology - 1221

### Key Responsibilities

- Instructing and advising students in the Animal Health Technology and Veterinary Medical Assistant programs and providing veterinary guidance to student livestock units on health protocols
- Development and delivery of courses such as Veterinary Communications, Animal Care & Nursing, Animal Health Rotations, Introduction to Radiography & Surgery, Introduction to Veterinary Software, and Veterinary Office Management
- Classroom, lab, and field trip instruction, preparation and marking of assignments and exams, as well as participation in program and department meetings
- Involvement with the Lakeland College Animal Care Committee in reviewing animal care protocols and assisting with documentation for CCAC certification

### Job Requirements

- The successful applicant must be registered veterinarian (DVM) and in good standing with the ABVMA
- Knowledge and experience with MS Office (Word, Excel, PowerPoint). Experience with Avimark is an asset
- Ability to communicate effectively with refined presentation and facilitation skills
- Demonstrates a positive attitude, willingness to accept and promote change
  
- Ability to lead and motivate others and be committed to collaboration, effective goal setting, and professional accountability

### Additional Information

This is a Continuing Full-time Faculty appointment that will commence in early August 2021. Lakeland College offers an attractive pension, remuneration, and benefit package.

**Competition will remain open until July 4, 2021. All resumes are to be submitted electronically on our website [www.Lakelandcollege.ca](http://www.Lakelandcollege.ca)**

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered. Those selected for an interview will be contacted.
