

## **Are you looking for a cheerful, team orientated work environment??**

We are looking a full or part time Registered Veterinary Technologist to join our growing, busy Day practice. We are open Monday – Saturday (Half day Saturdays) and are exclusively for dogs and cats.

Southwood Veterinary Hospital has one full time and three part time Veterinarians and are supported by an incredible team of passionate, friendly staff.

We have 4 full time techs looking for a fifth to join our dynamic team. We have an aptitude for teaching and growing our technicians to be the best they can be!

We excel in client experience and a positive, supportive work environment. Successful candidates must thrive in a fast-paced environment, handle and prioritize multiple responsibilities and deliver excellent customer service and patient care.

We are currently looking for a Full time Permanent RVT as well as a Maternity leave position.

### **We have state of the art Equipment:**

- ❖ Advanced anesthetic monitoring equipment
- ❖ Full Digital Radiograph equipment and Dental Digital Radiograph equipment
- ❖ Full dental suite and sterile surgical suite. We do a multitude of different surgeries and dental procedures due to our very experienced Veterinary staff.
- ❖ We have in-house laboratory equipment and extensively use a send out service.

### **Full time staff members will receive the following:**

- ✚ Paid RVT dues and Membership fees
- ✚ Full benefits package
- ✚ Paid CE
- ✚ Uniforms are provided
- ✚ Paid Vacation and sick Days
- ✚ Staff discounts on food, medications, blood work, procedures, exams
- ✚ APE and vaccines for staff pets are complimentary

If this sounds like an environment and team you would like to be a part of, please send resumes and references to [contact@southwoodveterinaryhospital.com](mailto:contact@southwoodveterinaryhospital.com) ATTN: Courtney
