Mobilizing RVTs®

INTENSIVE & IMMERSIVE LEARNING FOR REGISTERED VETERINARY TECHNOLOGISTS

New offering of our unique program for bovine (beef focus) & mixed animal practice .

Five full days of highly interactive learning and coaching designed and delivered to build communication skills, optimizing the profile and responsibilities of Registered Veterinary Technologists/Technicians in BOVINE or mixed animal practice. This is more than continuing education, it's a solid business investment. For RVTs only.
