

# JOIN US FOR RALLY THE RECEPTIONISTS

**BECKY  
TAYLOR**

## TOPIC OF DISCUSSION

Let's celebrate our reception teams! They are the very pillars of our service cycle and they see the best and worst of clients each and every day. This 2 day workshop is designed for the busy client care teams to build their skills, share best practices and collaborate with like minded veterinary professionals that are the face of veterinary practices.

**9 ABVMA CE CREDITS**
